I request corrections from the July meeting minutes, Tom "Schroder" is listed twice, once as personnel in attendance and once in the citizen's comments. Please correct the spelling of his name, it is **Schroeder**.

I request an addition to the August special meeting on the Rock Island Spur. I would like my objection noted in the minutes that I am opposed to the usage of U highway for the primary reason of safety concerns with blind and partial hills along the highway, both coming in and going out of town.

I will be there as soon as possible Thursday evening after my meeting at work.

Jon
