**Spring Street Culvert** – David Locke gave information about the problem on Spring Street and what happened. He gave an extensive explanation on what the repair will consist of. He also gave explanations for each of the culverts, the sizes, materials and what he would like to see happen with the repair. He gave the city pricing information on different fixes for the culvert. Culvert prices: Box Culvert are \$15,000 to \$29,000; Galvanized/Aluminized \$4,148; Polymer/Plastic \$2,960. David Locke’s recommendation is to go with the newer cheaper product. David Locke moves to go with the three-foot, crush proof, fireproof composite, one piece culvert that MoDOT is using for \$2,960 and the remaining materials with a second from Jeremiah Crider. All in Favor. Motion Passes. David thinks that the city is partially responsible for the water issue on the property connected to this culvert. The culvert on the Fox’s property is deteriorated and the city has contributed to this situation with the city’s storm water running through their property. David Locke offered to purchase the materials and the city would install the culvert while we are fixing ours and the Foxes would reimburse the full cost of materials. David Locke moves the city, does the digging and labor and the Fox Family purchases all material with a second from Steve Knox. David Locke – Aye, Jeremiah Crider – Aye, Steve Knox – Aye, Mindy Fox – Abstains.

Mindy Fox moves adjourn with a second from David Locke. All in Favor. Motion Passes.
