

Meeting Agenda Edits

These Meetings will be held

June 17, 2021

At 7:00 PM

June 15th was typed in error, this agenda was prepared on the 15th and emailed to the City after business hours.

City Clerk, Ami Dieckman, posted it on the 16th at 10:00am. Through the day I was unable to get ahold of the preparer to make the necessary changes. This tentative agenda change was posted on June 16th at 2:30pm.
